

## Thanks FDP

It gives me immense pleasure to propose vote of thanks on the occasion of inaugural session of Faculty Development Program on 'Teaching Pedagogy'.

Today we are very lucky to have Prof P P Mahuilkar sir , Pro vice chancellor of Kaviyatri Bahinabai Chaudhari North Maharashtra University, Jalgaon, with us. He inaugurated this FDP and gave us inspiration to become better faculty in future.

It is his support and guidance that inspires us to organize such activities in association with our university. Sir, we appreciate your keen interest and the key role you play in faculty development. We look forward to strong support in future, also.

Shri D T Patil, Member of KCE society's Management council, presided over this inaugural function and gave best wishes for the success of FDP organized by IMR. We want to thank KCE Management for their continuous support in encouraging us towards progress. He spared his valuable time to be with us and bless us. We acknowledge his contribution.

Dr Sriniv Srinivasan has come from Mumbai and he will conduct sessions that will help us in learning how to use case study effectively as teaching tool. He will share different approaches

to teaching pedagogy. We are eagerly waiting for the sessions to start. He is very busy person but also a kind one. We are grateful that he has accepted our invitation and will provide useful insights. We assure you sir, that we will apply and practice what we will learn from you.

KCE's Institute of Management is recognized for its initiatives in the academic field. You all know that our Director Prof Shilpa Bendale is well known for her excellent leadership. It is her genuine efforts that inspire and motivate us for organizing such activities. We thank her for giving us opportunity to learn and grow. Thank you Madam.

Faculty members from various colleges and institutes who are participating in this FDP are most welcome on our campus. We all are hungry for knowledge and we look forward to your contribution through active participation. Thanks for being here with us.

My colleagues have helped in organizing this programme . It is our team, HOD Dr Vishal Sandanshive, Dr Parag Narkhede, Dr Shweta Chordia, Dr Nishant Ghuge, Mamta Dahad Madam, Anilkumar Marthi Sir, Dhanpal Waghulde Sir, Dr Shama Saraf, Dhanashri Chaudhari Madam, Jayeta Saha Madam, Barkha Makhija Madam, who need to be specially appreciated for their efforts. All the faculty members and non teaching staff have directly or indirectly helped us and we place on record that we value it very much.
