## About KCE Society

Khandesh College Education Society, Estd. in 1944 is an esteemed organization in North Maharashtra region and has flourished under the leadership of Late Annasaheb Dr. G. D. Bendale. Many renowned Institutions are running under the flagship of K. C. E. Society. KCES is a distinctive leading educational organization in Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. It influences fundamentally, the technology & practices of education, the production of knowledge & research and accessibility as a resource to the world.

## About KCES's IMR, Jalgaon

KCES's Institute of Management & Research, Jalgaon established in the year 1986 is a pioneer institute in the field of Management & Computer education in North Maharashtra Region, and continues to be an Institute of repute in its 35th year! The Institute is well known for activities which are not only student friendly but also focus on the upliftment of society in general and stakeholders in particular. Our activities are in the Academic, Social, and Cultural areas of current relevance.

We conduct both National and International conferences regularly and solicit the presence of eminent personalities from various walks of life to address the gathering and share valuable insights.

## Aims of Conference

- To provide opportunity to upcoming researchers to showcase their expertise and knowledge in the field
- To provide a common platform for interactions among industry, professionals, academicians and researchers in order to grasp future trends
- To provide direction for the students to visualize research needs, applicability and innovations in the management and computer fields
- To encourage quality in writing and enhance presentation skills of researchers
- To develop global perspective of the current scenario

## For Whom

- Professionals
- Executives
- Academicians
- Researchers
- Students

## Conference Theme

Due to COVID pandemic, situation has changed dramatically. Social distancing has become a buzz word. Safety is of paramount importance these days. Considering the developments, we are conducting International E-conference in October 2020. Throughout the world many aspects of life have undergone drastic change. Business and corporate had to adapt for survival. On this backdrop the theme of proposed International conference is selected. This should bring out multiple facets and solutions to overcome the crisis.
