Subject: Letter of Appreciation

Dear Sonia,

I would like to take this opportunity to thank you on behalf of KCES's IMR for the inspiring session you gave to our students yesterday. The experiences that you narrated and your oratory skills were truly exemplary. The most important was that your pitch was not centred on power point abstract topics. They were all real-life examples which connect with the people. A big thanks to you for making this happen. Our students applauded you plans and activities at Kenya that contribute to the management of traffic there.

We would like you to consider a repeat performance at some future date. You are welcome at our institute whenever you are home again and when your schedule allows.

Yours sincerely,

Prof. Shilpa.K.Bendale
Director
