Sharada Madam,

Thank you very much for conducting workshop on 'Effective Communication in Digital Era' on 24th March 2021.

You covered many important aspects that are relevant in current times.  
You made it very lucid, interesting and interactive,

We received a very positive feedback from participating students.

We look forward to similar cooperation in future, too.

Thank you once again for wonderful session.

Good Day!

Prof Shubhada Kulkarni
