

ASSOSA UNIVERSITY

Assosa University (ASU) is one of the third generation applied science public university in Ethiopia. The university was established in May 2011 by Council of Ministers decree number 215/2011 and the corner stone was laid on May 4, 2009.

The University has been established with the objective to produce qualified and dedicated man power that the country needs. The qualified and dedicated manpower would participate in conducting scientific research, providing community service to the community they have come from. All the activities done by the University aims at strengthening and realization of the growth and transformation plan.

Assosa University campus is located at Assosa Town, Benishangul Gumuz Regional State, PO Box-18, Ethiopia. The university is a knowledge hub, which offers a diverse range of undergraduate and postgraduate programs.

(ASU, Academic Affairs Vice President)

Dr. Abdimuhsin Hassen

(ASU, Director of President Office)

Dr. Yogesh P. Khadke

(Director, Khandesh College Education Society, Jalgaon, Maharashtra, India)

KHANDESH COLLEGE EDUCATION SOCIETY JALGAON, MAHARASHTRA, INDIA

Khandesh College Education Society is established in the 1944. The society is running various Educational institutions. Khandesh College Education Society was only possible with zealous and ardent efforts of Late Dr. G.D. Bendale. His vision of things was unparalleled and so was his practical and hands-off approach, which helped the next generation of equally capable leadership to develop Khandesh College Education Society. His legacy endures, Khandesh College Education Society continues to offer broad-based and student oriented courses ranging from liberal arts to engineering and classes from KG to PG.

Today, Khandesh College Education Society is an eminent educational institution in Maharashtra occupying 26 acres of land and thousands of square feet of buildings and facilities with combined student strength more than 20000 students.

Khandesh College Education Society combines a responsibility for the advancement and dissemination of knowledge. It offers an extensive range of academic programs in the teacher education, liberal arts, sciences, engineering and the professions. Khandesh College Education Society provides accessible, high-quality undergraduate and post graduate education for qualified students who are able to benefit from a scholarly environment in which research inspires and informs teaching.
