The MindKraft 2026 event received enthusiastic participation from undergraduate students of BBA, BCA, and IMCA. Students from other colleges also participated in the event.

- Total Teams Registered: **75**
- Quiz Competition Participants: **68 Teams**
- Case Study Competition Participants: **15 Teams**

The event witnessed active involvement from students and faculty members, making it a lively and competitive academic program.

Feedback from Participants

The feedback received from participants was highly positive. Students appreciated the initiative taken by the BBA Department to organize such an academic event. The Quiz Competition helped students test their knowledge of general awareness, management concepts, and current affairs.

The Case Study Competition encouraged students to analyze real-life business situations and present practical solutions, which enhanced their analytical thinking and decision-making skills.

Participants expressed that such events help them improve **confidence, teamwork, and presentation skills**, and they look forward to participating in more such activities in the future.

Overall, the MindKraft 2026 event was successfully conducted with active participation and positive feedback from students. The event proved to be a valuable platform for academic learning and skill development.
