

NOTICE

Date: 21/02/2026

All the students of SYBCA are hereby informed that a seminar on "Relational Database Management Systems (RDBMS)" has been organized by the Department of BCA to enhance students' understanding of database concepts.

The seminar will focus on basic concepts of relational databases, SQL commands, keys, and normalization, which are important topics in the SYBCA DBMS syllabus.

Details of the Seminar:

- Topic: Relational Database Management Systems (RDBMS)
- Class: SYBCA
- Date: 25/02/2026
- Time: 1.00 PM to 3.00 PM
- Venue: Classroom No. 26
- Resource Person: Mr. S. N. Khan, DEAN School of Computer Applications, KCES's IMR, Jalgaon

All SYBCA students are instructed to attend the seminar without fail and be seated at the venue 10 minutes before the scheduled time.

Attendance is compulsory.
